Washington, DC 20463

This letter is in reference to our Pre-Primary 2004 report. We are amending this report because we have re-designated a contribution from BlueCross BlueShield PAC, per their request. We have also voided a contribution from Carrie Evans for \$250 and a contribution from a Janna Marks for \$8, which was in our un-itemized total.

Sincerely,
Holly Giarraputo,
Comptroller & Assistant Treasurer
